## Commanders Corner

COMMANDER'S CORNER, July 2025

Welcome to August, we are off and running strong.

We are working diligently to improve member/guests experience here at the post.

At our last General Meeting, membership voted to upgrade the sound system in the Bingo Hall for use not only with Bingo but also for other Legion functions as well. You also approved building new office space inside the Auxiliary (Family) room, 8x10 for the membership officer so she can have space to welcome new members without being interrupted with other Post business.

Members make a huge difference, we had a member donate a brand new 75 inch television to replace the one behind the bar and also an 86 inch which will be installed on the stage making football season all the more exciting.

In June, all the incoming/outgoing Riders Officers resigned their position placing us in a position to elect an all new board of officers who want to support the post and be part of the post family. We have an interim board in place and they will have their election on August 22, 2025.

Favorable changes are taking place as indicated on Saturday, August 26th, as the Riders held their roadkill to a nearly full house of participants who had a blast.

As our Department Commander states "One team, One Dream" together we can't help but be successful, let that be our mantra as well.

Membership is still an important issue, we are ahead of last year's pace but we want to see all of you for the early bird dinner to be scheduled.

September 23 is the American Legion Post 57's 105th birthday so on Saturday, September 20 we will have the Post 105th birthday bash and dinner. Dinner will be prime rib, baked potato, salad and dessert, Late for Class will provide the entertainment, details to follow so watch your email and keep up on our Facebook page. Dinner will be by RSVP to allow accurate preparation for the meat and taters.

We were recently approached and asked if we would do a fundraiser to help a local resident who has stage 4 cancer that has spread by doing a motorcycle run. While this person isn't a Veteran, we support our Veterans, Youth and Community and have agreed to render aid by assisting in the endeavor. This will be a Legion Family event to allow our community to see us working for one of their own.

October 4th we are opening our post for the event. Riders will meet at Harvey's for registration for an escorted (by CCSO) country ride. The ride will depart Harveys at 11:00 and end at the post for the afterparty. There will be lunch served from Fenced in BBQ, entertainment by the band, The Palmetto Kickers, 50/50 drawing, raffles, auctions and classic cars for your

enjoyment. The blood mobile will be onsite taking donations Always a great time for an even greater cause.

Our Goal this year is 857. We are currently at 418 members. Last year we were AT 38%! WITH 305 members renewing in July! Well done Post 57!!! I thank you for your early renewals and you have kept me busy that's for sure! Our members are what makes this post great, and I can't wait to see what our membership does to put Lake City on the map this year!!!

I forgot to mention in your renewal letters that if you have that Early Bird stamp on your membership card, that little red stamp entitles you to the Early Bird dinner in October. More information will be coming later this month.

## Membership (Cont.)

One thing I hear a lot from our members is “I never got a key fob.”

If you were voted into the Auxiliary, Sons of the American Legion, or as a Legionnaire you are entitled to a key fob! You can either stop by my office, and get your fob immediately, or you can request one in the lounge, and I will process it within two days. If you leave me a phone number I will text you and let you know that it's ready for pick up in the lounge. If you come to the general assembly meeting, I am available to give you your key fob that evening.

I have been out and about in the community, and I hear from women veterans that they didn't know they were eligible for the American Legion. They tell me that they were told their active duty service didn't count because they weren't Boots On The Ground. This is wholly untrue. Women Veterans have always been welcome in the American Legion and Women Veterans are most welcome in our Post! With the passage of the Legion Act (Let Everyone Get Involved In Opportunities for National Service Act) in 2019 The American Legion opened its enrollment to approximately 6 million veterans previously unqualified for membership due to not serving in a recognized “War Era”. If you served one day on active duty and were discharged with an Honorable discharge you are eligible, this includes National Guard members who went to bootcamp or served on active duty under USC Title 10. General or Uncharacterized discharges are also welcome provided they were under honorable conditions.

It is my absolute honor to serve you and if there is anything I can do to help, please don't hesitate to call! Most of you have my card and if you find a Veteran out there that needs help, needs resources, or just an ear, you send them to us!!! We don't have all the answers, but we are doing everything in our power to find them. The resources available in our little community are vast compared to a lot of counties in Florida.

## Post Service Officer

Hello Post 57,

August is Hot, the dog days of Summer are here! Stay Cool!

Thank you to all who donate to the Service officer's fund! You are the reason why we can continue to help local Veterans.

Post 57 has helped 6 Veterans this month!

This month Nursing Home to Hospice, new law!

WASHINGTON — The Department of Veterans Affairs announced today it has temporarily expanded burial benefits for certain Veterans, per the Senator Elizabeth Dole 21st Century Veterans Healthcare and Benefits Improvement Act.

The new law specifies eligible Veterans are those who are discharged from VA-provided medical or nursing care to receive VA-provided hospice care at their home and who pass away between July 1, 2025, and Oct. 1, 2026.

Previously, Veterans who died at home under VA hospice care after discharge from VA-provided medical or nursing care were not always eligible for a full VA burial allowance. The Dole Act addresses that gap.

"VA is working hard to fully implement the many provisions of the Dole Act," said VA Secretary Doug Collins. "We're excited to offer this expanded benefit, which better supports Veterans who choose to spend their final days at home, surrounded by their loved ones."

Families and caregivers of Veterans receiving hospice care at home following discharge from VA-provided medical or nursing care are encouraged to contact their local VA for information about eligibility and how to apply for burial benefits. Visit [VA burial benefits](#) or call 800-827-1000 for more information and see [here](#) for details on the legislative language authorizing this change.

## Auxiliary News

We had an exciting July and August is filling up fast.

The Auxiliary and American Legion went shopping for Christmas in July. We dropped off toys (\$2,000 worth) at the Christian Service Center. They were so appreciative of our donation.

We took the ladies from the Domiciliary out to lunch at Chilis. Being that the Domiciliary ladies are Veterans we also had two Veterans Kelly Valiere and Samantha Reid from Post 57, join us for lunch.

Beginning July 25th four of the Auxiliary members, to include me, Colleen, Krista, and Mallory. The workshop was very formative and we all gained a lot of knowledge.

We started the Bingo cake sale which will be on the first and third Sunday of each month. Thank you to everyone who signed up to donate cakes. All cakes must be bought. It's suggested you get two small cakes as most people do not want a large cake. Sunday, August 3rd, Caitlin Hanechak will be providing the cake(s). Sunday, August 17th, Maryann Dennis will provide the cake(s).

The Auxiliary has the dinner August 8th. Judy and her daughter, Tee, will be cooking Philly Cheese Steak sandwiches and French fries, with Peach Cobbler for dessert, all for \$10. There will be a band in the Lounge, Dave and Vicki. Please come out for a fun night with raffles and I'll be bartending.

The Auxiliary Board meeting is Tuesday, August 12th and the General meeting for all members is Tuesday, August 19th. Both meetings begin promptly at 6:30.

We will be stuffing our Boggy Creek Bears at 11AM in the lounge. Please consider volunteering and helping if you can. Sharon will provide a light lunch. Please bring a dessert or snack to share. Please RSVP by calling Donna at 954-629-6413. Weggie needs volunteers to help sew, if you can sew and are willing to help call Weggie at (386) 697-4845. We also need crocheters who would be willing to crochet afghans to donate to Boggy Creek for the children. The afghans should be 35-40 inches wide and 40-50 inches long. Call Donna at (954) 629-6413 if you need yarn. The afghans are for the children attending the camp so keep that in mind when crocheting the afghans. The children will be taking the bears and afghans home with them when they leave.

August 9th School of Instruction will be held at Steinhatchee, Unit 291. Registration begins at 0900 and starts at 10AM. Please try to attend as this is informative and the information they will provide will give you a good understanding of what the Auxiliary is about and you will learn how you can help. If you want to carpool call Judy at (386) 288-3122, they will be meeting at the Legion at 7:45.

## Auxiliary News (Cont.)

August 20th – Wednesday, we are having an ice cream social at the Domiciliary at 1PM. Please join us to serve and assist the veterans.

September 13th – Don't forget indoor yard sale in the Bingo Hall, from 8AM to 1PM. We will be setting up Friday, September 12th. Accepting small items the Tuesday before. September 30th is the Early Bird cut-off. Pay your dues before then and you can attend the Early Bird Dinner being held October 18th 2025. #### A Victory Nearly 30 Years in the Making — As We Mark 50 Years Since Vietnam

This year marks **50 years since the United States withdrew from Vietnam on April 30, 1975** — the day Saigon fell and the last U.S. helicopters lifted off embassy rooftops. Half a century later, the impact of that war is still being felt. The headlines may have faded, but for many veterans and their families, the fight continued long after the boots came home.

That's why this month, we're proud to share a hard-fought victory for one of our Vietnam-era families.

After nearly **three decades of appeals and denials**, the VA has finally granted **service connection for the cause of death** for **Army Veteran Jack E. Luker**, who served our country from 1953 to 1973. Mr. Luker passed away in 1995 from **renal cancer with widespread liver metastases**. His widow never stopped fighting to prove his death was linked to his military service.

Thanks to a new medical opinion, the VA acknowledged that Jack's **exposure to Agent Orange and JP-4 jet fuel** during his time in service "at least as likely as not" contributed to the development of his fatal cancer. The evidence was clear. The ruling is just.

As a result, his widow has been awarded **Dependency and Indemnity Compensation (DIC) at \$1,612.75 per month**, tax-free, for life. She's also now eligible for **Chapter 35 Dependents' Educational Assistance (DEA)**.

This decision honors not only Mr. Luker's service, but the thousands of Vietnam veterans who were exposed to toxins and have been quietly living with the consequences ever since. Fifty years after the last troops left Vietnam, this case reminds us that **some wars don't end when the shooting stops — they end when the VA finally gets it right.**

## County Service Officer (Cont.)

### Are You Missing Out on Benefits You've Earned?

You might be rated for a few things — but are you leaving money or care on the table? Here are some examples of conditions you could claim secondary to your current ratings:

- If you're service-connected for **knees, hips, or back**, you may also qualify for **radiculopathy, ankle instability, or plantar fasciitis**.
- If you have **PTSD, depression, or anxiety**, you might be entitled to benefits for **sleep apnea, IBS, or sexual dysfunction**.
- If you're rated for **tinnitus**, you might also claim **hearing loss** or even **headaches** as related effects.

Not sure? Bring me your award letter, and we'll look through it together. You earned these benefits — I'll help you get every one of them.

### Let's Talk One-on-One

A lot of veterans come in and say the same thing:

"I don't want to be a burden."

Let me say this loud and clear — **you are not a burden**. You are a veteran. You wore the uniform, and you've already paid the price.

Whether you're just getting started or you've been denied before, I'm here to help. No pressure, no politics — just a fellow veteran helping you fight your fight.

### Final Thought

Jack Luker's case shows us something important: **it's never too late to be heard**. Whether it's been 5 years or 50, if you've got a claim — bring it in. Laws change. Science advances. And sometimes, it just takes the right person to speak up one more time.

**Let me be that person.**

Respectfully,

## Sea Cadets

Sea Cadets are young men and women aged 10 to 18. We are supported by the U.S. Navy and U.S. Coast Guard, and our Cadets train on naval bases and other military installations. Sea Cadets gain unique and valuable experiences that incorporate hands on learning and teamwork. We meet at the American Legion in Lake City twice a month for drill. The cadets have many opportunities to go to training over the summer and winter. If you are interested and would like more information you can contact Niki Patterson [303-725-3889](tel:303-725-3889).

You can also click the link to get more information [America's Sea Cadets - The US Navy's youth development program](#).

We do not meet in the summer for drills. A lot of cadets attend summer trainings. We will start our monthly drills back up in August.
