July Membership Newsletter

Hello everyone!! Starting of the new Membership year with a bang!!!

I will be attending the July 4th Festivities at the Fairgrounds with our County Veteran Service Officer from 5pm to 9pm. If you are attending the festivities please come over to our tent and say hello!

We have made so many new friends last year, and we were awarded the Post with the highest number of new members for the Department of Florida and we came in tenth in the Nation!!! Little Lake City was put on the map! Let's go out and find Veterans, get them registered into the VA system, and get them working on their disability claims. If you were ever injured in the military, you have a possible CLAIM. PLEASE do it for yourself and your loved ones. Our Veteran forefathers fought hard for the rights and benefits that we are so fortunate to be eligible for today. Do not let the Government reduce these benefits. Help the American Legion advocate for change in the VA system, for more benefits, and keep veterans healthy and help them lead fulfilling lives. You do this by renewing and finding other Veterans to lend their names to the list of Veterans fighting for a life when they return to the world. Do not let the blood, sweat and tears of those who came before us be in vain! Renew today!!!

July 1st, 2025 opens our Early Bird Renewal Cycle Until September 30, 2025. If you renew your membership by September 30, 2025 this affords you an opportunity to have dinner on the Post! Who doesn't like FREE food???

Renewing is easier than ever at legion.org All you need is your member number and last name. Click on the Renew button on the upper right of the website and you can pay your dues from home. I receive daily updates and will mail your card to you within two days. You can also renew at mylegion.org. The benefit to registering at Mylegion is that you get to review your information, make corrections to any misspellings. You can add additional Eras you served in, retirement from military service, address updates, new email address, additional email addresses or phone numbers, emergency contact information, or update incorrect information. You can register at mylegion.org have your email address, member number handy. If you don't know your member number, just give me a holler via email, text or phone call and I'll happily provide you with that information. You can pay online and as stated above I will mail your card directly to you. If you have questions, as always feel free to reach out to me! We also have a computer available here at the post and I can help you get registered and walk you through the whole process.

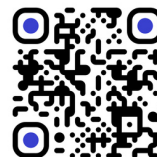

As you come up for renewal, remember there is a 3 year option for \$150.00. This protects you from any uprate in dues until 2028. We also have the Paid Up For Life (PUFL) option that has a monthly payment, or you can pay the whole thing at one time, and your dues will never go up. You can use mylegion.com or Legion.com to take advantage of this option or come into the post and I will walk you through the process. If you pay your dues for the current year, the 3 year option will not be available to you until the following year.

Membership (Cont.)

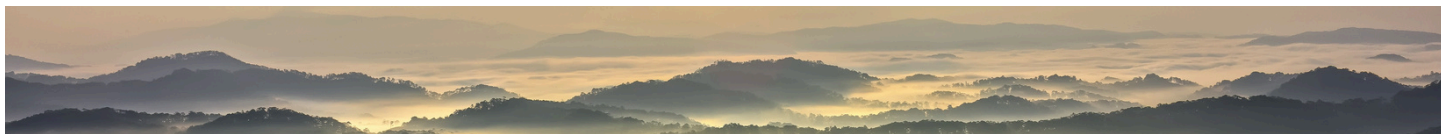

You are absolutely welcome to come into the office to pay your dues also, I love seeing you and chatting with you anytime! The membership year runs from January 1st to December 31, 2025, so please try to get your dues in before December 31.

December 31st, 2025 is our target date. Let's be the first post to be at 100% this year. It is an extremely difficult task as all the other posts in our District have the advantage. We have 800 plus members. We need 9 people per percentage point. Most of the other posts are between 20-200 members. We are the largest post between Jacksonville and Tallahassee.

For God, Country and Community,
Kelly Valliere, First Vice Commander

Chaplain

Dear Legion Family,

As we gather in the heart of summer and prepare to celebrate our nation's birthday, let us take time to reflect on the blessings of freedom and the responsibilities that come with it. The Fourth of July is not only a celebration of independence but a reminder of the sacrifices made to secure it - by our founders, by generations of service members, and by many of us.

Galatians 5:13 reminds us, "For you were called to freedom, brothers and sisters; only do not use your freedom as an opportunity for the flesh, but through love serve one another." May we honor the spirit of this holiday by continuing to serve our fellow veterans, our community, and our country - with love, humility, and faith.

July 29th is also the 250th birthday of the Chaplaincy. You don't need to feel obligated to get a gift for the Chaplain.

Post Service Officer

Hello Post 57,

July is upon us, Happy July the Fourth!

Thank you to all who donate to the Service officer's fund! You are the reason why we can continue to help local Veterans.

This month GI Law is the topic:

DeSantis Announces Governor's Initiative on Lawyers Assisting Warriors (GI LAW)

April 18, 2019

EGLIN AFB, Fla. – Gov. Ron DeSantis announced today the Governor's Initiative on Lawyers Assisting Warriors (GI LAW), an initiative to leverage the talent of Florida's leading law firms to provide pro bono services to military members.

Joined by Florida Department of Veterans' Affairs Executive Director Danny Burgess, Enterprise Florida President and CEO Jamal Sowell, U.S. Coast Guard Chief of Legal Assistance Chris Dunne and several of the state's most prominent legal professionals, Governor DeSantis unveiled the new program as well as its leadership.

To spearhead the initiative, the Governor announced Chuck Faircloth, General Counsel of the Florida Department of Veterans' Affairs, will serve as Executive Director. Steering Committee members include: Maj. Gen. James O. Eifert, Adjutant General of the Florida National Guard, Danny Burgess, Executive Director of the Florida Department of Veterans Affairs', Bruce Grant, Vice President of Military and Defense Programs at Enterprise Florida, partners from Greenberg Traurig, partners from Holland & Knight, partners from Shutts & Bowen and partners from the Gunster law firm.

"I'm proud to be able to lead this remarkable effort to provide our active duty service members free legal services from some of the best law firms in our state," said Governor DeSantis. "This is a big win for our service members and our military here in Florida and I commend all those involved for their commitment to our military."

Through GI LAW, our state's men and women in uniform will receive free legal counsel in a variety of civil matters, including actions in local courts. Participating attorneys will dedicate time and expertise to ensure prompt and fair resolution of the legal matters of our service men and women. The Governor also announced GI LAW has secured the commitment of four of Florida's top law firms: Greenberg Traurig, Holland & Knight, Shutts & Bowen and Gunster.

Post Service Officer (Cont.)

The application process will be housed on a soon-to-be live webpage through Enterprise Florida's website. Military members looking for local legal counsel will contact a JAG officer in their area, who will then work to fill out the application. The leadership of GI LAW will then work with participating firms to coordinate legal services on their behalf.

Sea Cadets

Sea Cadets are young men and women aged 10 to 18. We are supported by the U.S. Navy and U.S. Coast Guard, and our Cadets train on naval bases and other military installations. Sea Cadets gain unique and valuable experiences that incorporate hands on learning and teamwork. We meet at the American Legion in Lake City twice a month for drill. The cadets have many opportunities to go to training over the summer and winter. If you are interested and would like more information you can contact Niki Patterson [303-725-3889](tel:303-725-3889).
