Fall is finally here, nicer temperatures and football.

Thanks to the donation of one of our members, we now have 3 86", 1 75" and a 65" televisions to enjoy the newly installed NFLST package. All Sunday and Thursday games are now available to enjoy in the comfort of the lounge, and in addition, the kitchen is open during those times for quick snacks or full meals for your convenience..

The membership office is now complete and Kelly has moved in giving her more privacy in dealing with new members, come see her and the office she's in.

We had a great time celebrating the Post 105th birthday with bands in both the hall and the lounge, over 100 prime rib dinners were sold with nothing but compliments on the meal. If you missed it, you'll never know.

Thursday, Sept. 25th we were honored to host our Department Commander, Jessica Moore along with Area and District Officers.

At our September American Legion Board and General meeting it was brought up and approved to move forward with the purchase and installation of a new generator capable of powering the entire post. As a designated disaster distribution center this will help in holding up our responsibilities, moreover this will provide relief to our members in such an event. This will add the capability for our members to come in and get a hot meal, cold drinks and camaraderie in such a time of stress.

Reminder, that this Saturday the American Legion Family is helping to host a fund-raiser for a local resident, Ricky Crawford. The day will begin with Riders doing registrations at Harvey's Supermarket from 9:30 until 11:00 am when kickstands go up for an escorted country ride back to Post 57 for the after-party where there will be classic cars, the blood-mobile, raffles, 50/50, auctions and so much more. Lunch of pulled pork or pulled chicken, baked beans, coleslaw will be provided by Fenced in BBQ.

Candy drive all month, please bring candy to donate to go to the "Kid Safe" Halloween party.

Coat drive, all month, time to clean out your closets for those jackets, wind breakers and sweaters that are either out of style or no longer fit (imagine that)

VETERAN'S DAY PARADE: The American Legion family in cooperation with the VFW will be hosting the Veteran's Day Parade on Saturday, Nov. 8, while we didn't select the date, our First Vice along with a number of Post Family members are doing a terrific job in putting this together. With brilliant new ideas, this could be the best Veteran's day parade that Lake City has ever had. Interested in participating? Contact Kelly.

Chaplain

Dear Legion Family,

As the days grow shorter and the crisp air of autumn surrounds us, October reminds us of both change and gratitude. The falling leaves show us the beauty of letting go, and in our own lives, we are reminded to release what no longer serves us and to hold onto faith, hope, and love.

It is exciting to watch our Post grow with new members and to see the success of the programs we have sponsored throughout our community over the past month. The turnout at recent events has been inspiring, and it is truly a blessing to witness the strength of our Legion family in action.

I also had the privilege of meeting with the coaches of the two baseball teams we are sponsoring this year. Although their first games were unfortunately rained out, the coaches shared that they have a strong group of players and are looking forward to a great season. I encourage you to come out and catch a game when you can—it's a wonderful way to support our youth and show the community the heart of the American Legion.

October is also a time of remembrance. We honor those who gave all for our country, those still serving, and the families who carry on their legacy. In our gatherings and prayers, may we never forget the cost of freedom and the blessings we share because of their sacrifice.

For God and Country,

William Bell

Chaplain

"Let us not become weary in doing good, for at the proper time we will reap a harvest if we do not give up."

Post Service Officer

Hello Post 57,

October is here, Halloween is 30 days away! Thank you, to everyone who donates to the Service officer's fund and comes to the Paddle Auctions! You are the reason why we can continue to help local Veterans.

Post 57 has helped 7 Veterans this month!

This month's topic is VA and Social Security COLA increases for 2026!

Projected COLA for VA disability benefits in 2026 is expected to be 2.7%, based on the latest inflation data from the Consumer Price Index for Urban Wage Earners and Clerical Workers (CPI-W). This increase will take effect on December 1, 2025, with new monthly pay rates showing up in your January 1, 2026 VA disability check. The Social Security Administration (SSA) usually releases its official COLA for the coming year in the second week of October, but the projected increase for 2026 is based on the average retiree receiving a \$2,008.31 monthly benefit, which would increase by \$54.22 to \$2,062.53 in 2026. This increase would leave the average retiree more than \$650 richer at the end of the year.

VA Claims Insider

+1

For VA disability benefits, the increase will be effective from December 1, 2025, with the new monthly pay rates showing up in your January 1, 2026 VA disability check. The exact percentage will be confirmed by the SSA in mid-October 2025, and the VA will automatically adjust your payments based on your current rating and dependents.

VA Claims Insider

The Social Security Administration (SSA) usually releases its official cost-of-living adjustment (COLA) for the coming year in the second week of October. Until then, The Senior Citizens League, the country's foremost COLA prognosticator, projected that beneficiaries will get a 2.7% raise in 2026.

Boooooo, Have a great Halloween!

Riders

Hello, and welcome to October, to all of the ALR Chapter 57 Riders

I'm slowly getting a grasp of what we need to do as Officers of this Chapter. I greatly appreciate the assistance I've received in getting us pointed in the right direction. We've had some great riding weather recently, and the day time temperatures are slowly dropping, which only makes the ride better.

Rides our Riders participated in include: the Fifth Annual 7 Bridges POW/MIA Remembrance Ride; Fund raisers for individuals at Posts 83 and 383; Rides to recover our plaque from Posts 83 and 383; Individual rides south to Key West and north as far as NY, visiting Posts, veterans and military units along the way; and the Fun Rides, which usually involve riding for lunch. All told our riders accumulated over 9000 miles in the saddle.

Considering most of your new officers, including myself, have little experience organizing events, Riders Friday Night dinner and Roadkill Bingo were both very successful, and we are grateful to all who came out to help and to support. We sold over 60 dinners, and raffled off a liquor basket. Roadkill bingo was equally successful, raffling off two dinner baskets raising nearly \$500.00 for Riders Programs.

I'm looking forward to seeing more of you showing up for rides, events, fundraisers, etc. Our Ride Captain has put together a ride schedule, out to December. The schedule is somewhat flexible and updated as needed. Included in the schedule are fun rides for lunch and fellowship. If you have some place you would like to ride, bring it to the Ride Captains attention, and we will do what we can to make it happen. Most of our rides are planned for the weekends, but some of us are available during the weekdays, and ready to ride.

Riders (Cont.)

Upcoming Events:

October 4th - Charity ride for Ricky Crawford: a Lake City resident, who has stage four cancer, and the Riders will be participating in that event also, in numerous ways. The Riders also agreed to donate \$500 to the Ricky Crawford fundraising effort.

October 12th - Riders Dinner: Menu is Philly Cheesesteaks, with a choice of fries or onion rings, and brownies. Hope to hear from a few members to volunteer on the griddle, the fryers, register, and running meals.

October 27th - Riders Roadkill Bingo

November 8th - Veterans Parade: The parade details are still being worked out, and will be released as soon as they come available.

November 15th - Voices for the Children: This ride will start in Wellborn and end at AL Post 57. More details will be released as they come available.

JD Warren
Rider Director

Auxiliary News

The Auxiliary continues to highlight the making and stuffing bears for the Boggy Creek children. Our current collecting is for coats, sweatshirts and jackets (gently used please) for the Domiciliary and for homeless children of Columbia county. We are also collecting Halloween candy for the big safe Halloween party on October 31st.

Saturday, September 13th was our annual indoor yard sale. The sale runs from 8:00 AM to 1:00 PM on Saturday. We collected more donations than any of us remembered in the past and made more money as well. It was a huge success. We thank all of our members who volunteered for the setup, during the sale, and cleanup.

We are currently collecting soda can pop tops for the Ronald McDonald House. When you have a small (or large) plastic bag filled you can turn these into the bar, into a large container in the bingo hall or at any of the Auxiliary meetings. These tops do not need to come exclusively from soda cans. Other can tops, including those from soup and vegetable cans are acceptable.

The Junior Auxiliary is now in the process of regrouping for the coming year. The first meeting will be announced shortly by email. We hope that all of our current Juniors will maintain their enthusiasm and that we will be recruiting new participants.

As a fun activity for Auxiliary members, we will be starting a Bunko group on October 10th from 2PM -4:00PM. Details will be shared with members once plans are finalized.

The meeting room renovation is in full swing and we will have the opportunity to make our area really shine. If you have suggestions, please give them to a member of the Auxiliary executive board.

The next district meeting will be Saturday, October 4th at Post 49 in Monticello. Registration begins at 9:00 am and the meeting starts at 10:00. These are informative and fun with meeting Auxiliary members from other units. The meetings are open to all Auxiliary members.

Auxiliary News (Cont.)

On October 4th there will be a Crawford Fund raiser at the Post with food and music.

On October 11 we will be packing troop bags at 2PM. This will also be an opportunity to meet our Florida President, Robin Burke.

October 22 is our annual First Responders Luncheon from 11-1PM. Please help with this event if available.

November is Poppy month and we will be in full force on November 1 at Publix and at Winn Dixie the following Saturday. Please consider volunteering for these events.

Thank you all for your dedication to our veterans and our community.

Sons of the American Legion

On Tuesday, Sept. 16, 2025 the Commander, Finance Officer and and Sgt. at Arms resigned from their respective positions.

This means that we have no current leadership for the Detachment.

I have appointed Jeff Stewart, former Sons Commander as the interim Commander.

At the next scheduled meeting of the SONS it is imperative that all current members show up at 6:30 and be prepared to take on a leadership role.

The SONS are an integral part of our American Legion Family so it's very important that we revitalize this program.

Respectfully

Bill Huggins, Commander, American Legion Post 57
